Center for Applied and Computational Mechanics  
School of Science for Open and Environmental Systems  
Keio University

- Date/time and location
  - Date and time: July 17 (Fri), 9:00 to 12:15
  - Location: Zoom  
(the link will be sent to speakers and audience via research advisors)
- Instruction for speakers
  - Signatures on the pledge regarding confidentiality are not requested; presentations should not include any contents relevant to patents.
  - Speakers in the first session (9:00 to 10:30) and in the second session (10:45 to 12:15) should log in to the presentation site before 8:55 and 10:40, respectively, for the access check.
  - If the net access at home is not sufficient (say, below 10 Mbps measured at fast.com), speakers are suggested to give presentation at Yagami Campus, with the permission of their research advisor.
  - During presentation, turn “on” the microphone and video on your Zoom setup.
- Instruction for audience
  - The audience should turn “off” the microphone and video on your Zoom setup.
  - When the communication status gets limited by the number of participants, there is a possibility to request the audience to leave the meeting.
